**PETITION TO REVIVE PRESUMABLY  
ABANDONED PATENT APPLICATION**

Applicant hereby petitions for the revival of this application.

The nature of the presumed abandonment is as follows:

On March 7, 2006, the undersigned reviewed his records and noted that, due to an unintentional oversight, Part B of the Notice of Allowance (PTOL-95) for this application was not timely submitted on March 6, 2006. However, the issue fee had previously been paid.

This petition is being filed within one year of the date of the presumed abandonment.

The delay in submission of Part B of the Notice of Allowance (PTOL-85) was unintentional. The entire delay from the due date until the filing of this petition was unintentional. The issue fee itself had previously been paid, as had the publication fee. The completed Part B of the Notice of Allowance is attached.

This application is entitled to small entity status under 37 CFR 1.27.

Authorization is made to charge the petition fee of \$1500.00 to Deposit Account No. 50-1943. A duplicate of this petition is attached.

To the extent there is any additional fee required in connection with the receipt, acceptance and/or consideration of this paper and/or any

accompanying papers submitted herewith, please charge all such fees to  
Deposit Account 50-1943.

This utility application was filed on or after June 8, 1995 and no terminal  
disclaimer is required.
